- Transportation and Logistics

Guy represents and acts as general corporate counsel for developers, manufacturers, hotels, restaurants, aviation companies and other businesses. Guy has broad experience in all types of complex construction, commercial, real estate development and corporate transactions.

Guy has significant experience representing owners, management companies, developers, architects, engineers, and contractors. His work experience includes airports and aircraft, space launch facilities, cruise ships, hotels, arenas, convention centers, condominiums, underground utilities, public school buildings, college buildings, large water transmission pipelines, amusement and theme park rides and facilities, wastewater treatment plants, water treatment plants, hospitals, roads, golf courses, storm water designs, well fields, churches, and shopping malls.

Guy is board-certified by The Florida Bar in Aviation Law. Guy is an instrument-rated private pilot and has been flying for over 35 years. He has a wide range of experience in representing aviation businesses and aircraft owners.

Guy was born in Jacksonville, Florida, and was raised in various parts of Florida. He graduated from Merritt Island High School in 1976. He attended both undergraduate and law school at the University of Florida. After graduating in 1983, Guy joined and later became a partner with Bull and Haggard, P.A. Guy joined and became a partner with GrayRobinson in 1992.
