Cannabis Industry

GrayRobinson's Cannabis Industry Practice Encompasses:

GrayRobinson's cannabis industry encompasses attorneys and compliance professionals with pertinent legal training and experience from the firm's vast array of practice groups, ranging from intellectual property and venture capital to lobbying and regulatory compliance. Our full-service capabilities and experience, advising clients in other heavily regulated industries such as alcohol, tobacco, and food, make us uniquely situated to counsel clients in the cannabis industry.

As more and more states venture into the complex world of cannabis commerce and regulation, GrayRobinson attorneys are exceedingly qualified to offer counsel on interpretation of law surrounding the growth and distribution, commercial finance, sale, and ordering of cannabis. GrayRobinson is a national leader in the counsel of regulated industries, and is listed in Chambers USA legal guides as one of the strongest alcohol law groups in the country.

We are dedicated to helping our clients comply with both settled and emerging local, state and federal laws and regulatory policies that govern the financing, manufacturing, processing, distribution, marketing and retail sale of cannabis. Our commitment to those operating in a regulated product environment is evident in our efforts to inform clients regarding developing legal issues and evolving business landscapes.

The cannabis attorneys and professionals leverage their diverse backgrounds to provide comprehensive legal representation to clients entering cannabis marketplaces. The group couples the firm's nationally renowned regulatory compliance experience with a talented team of accomplished attorneys who are committed to exceeding the expectations of our clients and helping them succeed in incredibly complex and fast-growing industries.

We are prepared to assist in all aspects of this cutting-edge industry by providing customized, multi-disciplinary legal services.
