Government Affairs and Lobbying

GrayRobinson's Government Affairs and Lobbying Team

Skillfully renowned team delivering superior advocacy at the local, state, and federal levels of government and strategic counsel to private and public sector leadership. Florida's legal-lobbying powerhouse.

GrayRobinson was built on a profound understanding of the synergy between law and politics. Grounded by decades of transformative counsel and advocacy, we operate at the forefront of emerging legislative and legal issues affecting businesses, governments, and key stakeholders with interests in every corner of the state and at the federal level. Our integrated team is a force multiplier for clients, well-positioned for influence, protection, compliance, and national reach from 16 key markets in Florida and Washington, D.C.
