Login to GoToMyPC Using Duo

Browse to the www.gotomypc.com site.

1. Login using your email address and your GoToMyPC password.

2. Click **Connect**.
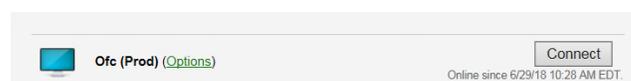

3. In the **Access Code** field, enter your GoToMyPC access code.

4. In the **Security Code** field, type the word "push."
   NOTE: After enrolling in Duo, the initial login to GoToMyPC will take approximately 45 seconds; subsequent logins will be much faster.

5. On your phone or tablet, tap **Approve**.

   NOTE: Make sure you have enabled notifications from the Duo app on your phone or tablet.
