

# Webex – Meetings from a Mobile Device

---

## iPhone (iOS)

### Download the app - iPhone

From the App Store, download the **Cisco Webex Meeting** app.

### Connect to Webex Meetings from a Mobile Device

When it's time to connect to a scheduled Webex meeting or Personal Room meeting, you can join quickly from the Webex mobile app.

### Start a Scheduled Meeting

After opening and signing in to the Webex Meetings app, you can:

- Swipe left to **My Meetings** and tap **Start** on the meeting entry

**NOTE:** Alternate hosts cannot start a meeting from the mobile app.

---

## Start an Instant Meeting

You can start an instant meeting by opening the Webex Meetings app and tapping **Start Meeting**.

## Join a Meeting

You can join a Webex meeting in any of the following ways:

- Sign in to your Webex account and:
  - Swipe left to **My Meetings** and tap **Join** on the meeting entry.
  - Tap **Join Meeting**, enter the meeting number, Personal Room URL, or host's username, then tap **Join**.
- Without a Webex account, open the Webex Meetings app and tap **Join Meeting**. Enter the meeting number or host's Personal Room URL, enter your name and email, then tap Join.

**NOTE:** If you do not have the app installed, you can still join the audio portion of the meeting.
